Richard Hartman is charged with the possession of child pornography. He pleaded guilty pursuant to an agreement with the government, and he is scheduled to appear before the Court for a sentencing hearing on March 2, 2021. Counsel for Mr. Hartman has requested a continuance because the defense needs additional time to prepare for sentencing. In particular, there are seven claims for restitution that the government and Mr. Hartman received in mid-January that raise complicated legal and factual issues that Mr. Hartman will need to address. Defense counsel needs additional time also

to obtain records to verify background information in the draft presentence investigation report. Counsel for Mr. Hartman conferred with the probation officer assigned to this case and she is available on the requested date.
